Ellen:

I don't know if SPBID has ever looked into SGC as a possible funding source. SGC has a variety of grants and I think loans that may fit with what we're trying to do regarding the "East-West" route. I don't have the time to dig deeply into their programs but I know they have \$\$\$ and I don't know how successful they've been getting it out.

Hello Robert,

We have plenty of intriguing resources and updates for you this week! Several opportunities have recently become available in the fields of grant funding, employment, and community engagement. We're also pleased to highlight the press conference that our recent Transformative Climate Communities grant recipients held in Watts, Los Angeles.

As always, we hope you enjoy reading and have a lovely week.

Cheers,

The SGC Team

Health In All Policies' Equity in Government Practices Action Plan

<<http://files.constantcontact.com/3ca30c7f501/6a66f746-35a6-41b3-a58f-53689a716cc5.jpg>>

We are proud to endorse and release the Health In All Policies (HiAP) Task Force's Equity in Government Practices Action Plan. This three-year Action Plan (2018-2020) articulates commitments from nearly 20 departments and agencies to increase government capacity for equity, incorporate equity into grants, guidelines, and other programmatic work, and develop institution-wide racial equity action plans. This plan really focuses on building the capacity of state government to promote equity through programs, guidelines, and institutional practices.

EPA Now Accepting Applications for Environmental Justice Collaborative Problem-Solving Cooperative Agreement Grants

The United States Environmental Protection Agency's Office of Environmental Justice is accepting applications for its Environmental Justice Collaborative Problem-Solving (EJCPS) Cooperative Agreement Program. During this funding cycle, \$1.2 million will be available to eligible community-based Internal Revenue Service nonprofit groups and federally recognized tribal organizations to support environmental justice-related projects across the nation. Ten projects are expected to be awarded in total, one project awarded per US EPA region. The maximum grant amount is \$120,000, and the grant term is expected to start September 1, 2018.

Applications must be received by 8:59 pm, PST on Friday, February 16, 2018. Cal EPA plans to announce the grant awards by August 2018.

California Department of Food and Agriculture Awards \$9.64 Million for Alternative Manure Management Projects

<<http://files.constantcontact.com/3ca30c7f501/bba47112-be49-49df-95cb-9459bdfbf752.jpg>>

## FW: SGC Updates: Funding, New Resources, Jobs...

The California Department of Food and Agriculture (CDFA) has awarded \$9.64 million in grant funding to 17 alternative manure initiatives across the state. These projects, part of the Alternative Manure Management Program, or AMMP, will reduce greenhouse gas emissions on California dairy farms and livestock operations by using manure management practices that are alternatives to dairy digesters. AMMP grant recipients will provide an estimated \$2.7 million in matching funds for the development of their projects.
